Meditate on Scripture

*So do not fear, for I am with you;
do not be dismayed,
for I am your God.
I will strengthen you and help you;
I will uphold you with
my righteous right hand.*

COFFEE + CONVERSATION

Join Us for Table Talk
Wednesdays at 6:30PM
OR
Thursdays at 10:00AM

Moms Connect kicks off on September 30th at 9:30AM. We will have devotion and fellowship time with WINGS before we meet in individual groups. Moms of all generations are welcome!

Today we are in the midst of the greatest human migration in history. People from everywhere are moving everywhere else. What is God up to? Today, YOU are God's front-line missionary. The world has come to us! How can you understand them and share the Gospel?

Its developer, Rev. Roland Wells, will teach the short six-week course, developed from the 96-hour *MissionShift* which is now embedded in Concordia Seminary's curriculum. Cost is just \$10. Register today at the Connect Center, space is limited.

Trunk or Treat is coming up on October 22nd! We are looking for lots of help. Sign up in the lobby to do a trunk, donate candy, or other jobs.

Choir starts Wednesday, October 25 at 7:30PM. We need YOU: sopranos, altos, tenors and basses; people of all ages. You don't have to be a professional opera singer to join! Come and make a joyful noise. We'll be singing some fun new music around Thanksgiving and Christmas. If you've got questions, email [Roland Wells](#), or call/text him at 651-484-2303.

Update on New Security System

The activation of the church's new security system is coming soon. We've had a couple of delays and are working on training materials. We thank you for your willingness to help us make our church as secure as possible.

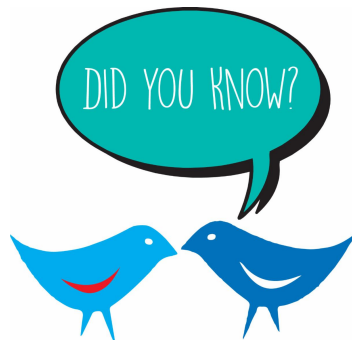

If you currently do not have a key to access the building, this change will not affect you. If you need access during the hours the church is open, you will continue to use Door 4 and press the silver button on the device pictured here. We will be able to see you and communicate with you as well as to let you in.

Ministry leaders who have a key will exchange it for a key fob which will be the new way for you to unlock Door 4.

Important: Your key fob will open the door, HOWEVER, if you are entering outside of business hours, you will need to disarm the alarm using the distinct 4 digit code you will be assigned. You will be trained on how to use your fob and how to disarm the alarm BEFORE the system is implemented.

The goal is to implement this security system as soon as possible with documentation and training being made available before implementation.

Thanks again for your willingness to adapt to this change.
