From WINGS (Women in God's Service):

"We would like to thank everyone who helped us set-up, clean-up, serve, and donated food for the funeral of Jim Wychor Jr. Without your help we would not be able to offer this service to our congregation. *It was greatly appreciated by the family and our women's group.*"

Change of Plans

For your information, *there will NOT be a meal served on Wednesday, February 7th.* Please plan accordingly.

However, Youth Night, Kids for Christ, and Table Talk WILL be held.

Free Lenten Devotionals for all ages will be available in the lobby beginning this Sunday. Please pick one up and spend some time with your Savior this Easter season.

*Biblical Worldview
as it Relates to Science.*

Have you heard that humans and chimps

have 98% of their DNA in common, proof that we evolved from them? Have you heard about the millions and billions of years needed to form our landscape?

Come listen to Dr. Rob Carter speak of these issues from another world view. See how a more literal interpretation of God's Word fits nicely with science today.

Dr. Rob Carter is a nationally known creation scientist who will be speaking at Good Shepherd, ***Sunday evening, February 18th at 7:00PM***. He will be speaking on these issues but will gladly accept questions on any topic related to creation vs evolution.

There is no charge for this event; however, a freewill offering will be taken.

Easter Plants

Easter Sunday is March 31st this year so it's time to place your order for Easter Plants.

Plants will be ordered from Lynde Greenhouse and Nursery and orders are due by **Sunday, February 25th**.

Please see the display at the Connect Center to place your order, or [click here](#) to download an order form.

Are you new to Good Shepherd and interested in becoming a member?

Pastor Ted regularly holds ***New Member Classes*** where you have the opportunity to learn more about Good Shepherd.

The next class will be held on **Tuesday, February 27th at 6:30PM**.

On **Saturday, February 24th from 9:00 AM - 3:00PM** Good Shepherd will be hosting ***Joining Jesus as a Family Workshop!***

This is an amazing event! Christian parents want to raise their children to be life-long followers of Jesus. But many parents watch their children grow up, leave home, and then walk away from the faith. What went wrong? And how can a new generation of parents avoid the same result?

Greg and Susan Finke identify what Jesus shows us in the gospels to help parents become more intentional and practical in raising Jesus-followers. Please [CLICK HERE](#) to register for this free workshop by February 18th.
